

TOXIC ART SUPPLIES

The County Board of Education and the County Superintendent of Schools recognize their responsibility to protect the health and safety of students in the selection of materials used for instruction in arts and crafts activities.

The County Superintendent shall develop procedures for the purchase, use and proper disposal of arts and crafts materials which insure that the health and safety of students is protected from harmful exposure to toxic substances. These procedures shall be developed in accordance with information provided by the State Department of Education and the State Department of Health Services.
