

MILITARY RECRUITERS

Annually, in September, the County Superintendent shall notify the parents/guardians of Mendocino County Office of Education's (MCOE) secondary school students that access to the names, addresses, and telephone listings of secondary school students will be provided to military recruiters upon request, when parental written authorizations are filed with MCOE. This policy of affirmative consent to release such information to military recruiters is also afforded to secondary school students.

Military recruiters shall have the same access to secondary school students as is provided to post-secondary educational institutions or to prospective employers.
