

## **Governance**

### **OBJECTIVES OF THE COUNTY SUPERINTENDENT FOR THE COUNTY OFFICE** **SP 0320.00**

To achieve the mission of the County Office, the County Superintendent establishes the following objectives:

1. Develop efficient management systems to deliver quality, direct, and coordinative services to county school districts and to provide quality education to students enrolled in County Office schools and programs.
2. Employ quality personnel for administrative, certificated, and classified positions.
3. Offer quality staff development programs.
4. Operate cost effective County Office programs.
5. Operate the County Office according to adopted County Board and County Superintendent policies and administrative regulations.
6. Develop new relationships and strengthen existing ties to educational agencies within the county, state, and nation.
7. Provide new or expanded services that benefit children and students in Mendocino County.
